2022-23 Tournament Rules

Participation:

All currently certified members of the Hibbing USBC Association are eligible to enter. Non-members living within the jurisdiction of the Hibbing USBC Association who are not members of another association may enter by paying the standard certification fee to become a member.

Handicap:

90% of 215 scratch.

Entering Average:

Only averages from Hibbing USBC sanctioned leagues will be used to determine handicap. All others will bowl scratch.

At check-in, bowlers are responsible for verifying their average.

Last year's **highest** final average (based on 21 games or more) must be used unless any current year average (21 games or more) is 10 or more pins higher (**USBC rule 319a**), in which case the current highest average must be used.

Bowlers without an eligible last year's average will use their current highest average (12 games or more).

All others will bowl scratch.

Multiple participation:

A bowler may bowl more than once in singles, doubles or team. A bowler may place in the money only once in singles, only once in doubles with the same partner and only once in the team event with the same team. Changing two or more players will constitute a new team. A bowler may enter either or both AllEvents. The first singles, doubles and team event bowled will be used for AllEvents scores. AllEvents entry fee(s) must be paid before bowler's first tournament event.

Registration:

Entries received after January 13, 2023 will be subject to available space at proprietor's discretion. Entry forms are available at the Hibbing Bowling Center and online at bowling.hibbing.com.

Awards:

100% of prize fund money collected will be awarded.

Singles, doubles, and team events payout is 1 in 4. AllEvents payouts are 1 in 5.

In case of ties, prize money for that position and next position(s) will be split.

Miscellaneous:

Sign in ½ hour before shift time.

No refunds will be made after the schedule has been arranged.
